

Capris star at Flambards' car show

THE fifth annual car show held at Flambards Theme Park will be held on Sunday, May 23.

The event has proved successful over the past five years attracting more than 140 exhibitors and 200 visitors at each event.

Although the event is organised by the South West Duchy Capri Club, the show attracts exhibiting models and makes such as the Ford XR and RS, Morris Minors, Minis and MGs.

The event is free to visit and offers something for all the family.

Prizes are awarded to classes by the show judges and categories include best club stand, best car in show, best working car and best year groups.

One of the founders of Duchy Capri Club, Steve Hunt, said: "The awards are always a highlight of the show, and it can get very competitive.

"This year we are offering more

than ever with 39 trophies and 14 classes in total."

Duchy Capri Club was set up in 1999 by Mark Roberts and Steve Hunt, both from Camborne, and now has 20 members who meet on the first Monday of each month at The Bird in Hand pub in Hayle from 7pm.

Members are given a monthly newsletter and are able to take part in the variety of events the club organises or attends.

Both clubs and single exhibitors are welcome at the event which runs from 10.30am to 5.30pm, and to reserve your place please contact Mark on 01209 843033.

To show your car there is a nominal charge of just £3.99 per car paid in advance, which includes a plaque of attendance, a programme of events, raffle tickets and entrance into the competitions.

All proceeds go back to the club to let it offer free entrance to events.
